ROCKPORT NETWORKS

Re: Application for the position of Web Designer.

Dear Human Resources,

I am writing an application for the web designer position at Rockport Networks as advertised in Rockport Networks website. My training and experience in the field of computer programming and web design, along with my ability to write html, css, javascript and basic UI/UX knowledge make me the perfect candidate for the job. I know that I would be a valuable addition to the team at Rockport Network.

I have completed various web development courses from reputed online education platform including Coursera, Code Academy, Free Code Camp, Lynda, Udemy, Scrimba and many more and have more than 3+ years of experience as a front end developer. I have advanced knowledge of html, css ,javascript, jquery, sass, bootstrap, npm, git and github. and responsive design techniques and outstanding experience of teamwork and problem solving.

In my most recent role at Eye-Able.com, I implemented cross browser support and version control system which improved their product and become accessible for more users.

I am excited to be applying to Rockport Networks and for the opportunity to explore my skills and expertise which would benefit the company. I truly admire the collaborative environment with room to grow option of your company and would feel privileged to be a member of the team at Rockport Networks.

Please find attached my resume and portfolio with my previous work sample. Feel free to contact me directly should you require anything further.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Md. Rakibul Islam
